
Maternity Packages

By Royal Rouge Photography

Pregnancy Package

This Session is to capture that special bond between mommy and the joy of her life. These memories that will last a lifetime when the baby was inside, and that special feeling mom will never forget. While mom's inner glow will be captured in a flattering way, making you feel comfortable and enjoy this experience.

- 1 outdoor location of your choice
- 15-20 edited images that will be downloadable from an online gallery (password protected)
- 1-3 outfit changes
- Release of rights to use images however you desire

Price: \$375

Birth Package

The birth session is when the baby is born. The photographer will be at the hospital or location of birth ready to capture the baby's birth. These will be special memories that will be captured so you can always remember that love at first sight.

- Location of birth
- 15-20 edited images that will be downloadable from an online gallery (password protected)
- Pictures will be taken at birth, and after birth with the parents and siblings
- Release of Rights to use images however you desire

Price: \$250

Newborn and at 6 months- Session Package

After the joy of birth, we have available a newborn session. It can be a week or two after birth. This session will take place indoors for the baby's safety and comfort of mommy, unless the parents desire otherwise. The photographer will bring the necessary equipment for the shoot. (Indoor lights, backdrops and props)

- Indoor location of your choice, most parents choose their home or a relative's.
- 20 edited images that will be downloadable from an online gallery (password protected)
- Parents and siblings allowed to take a few pictures at no extra cost
- Release of Rights to use images however you desire
- When the baby turns 6 months 15 edited pictures will be taken (2 outfit changes) at any outdoor location

Price: \$380
